Declaration

I/We declare that:

The information in this application is in all respects accurate and truthful as at the date of this declaration. I am authorised to apply for credit facilities. I agree to pay for all goods purchased from LeetGeek in accordance with the period agreed by LeetGeek. I acknowledge and agree to comply with the LeetGeek Terms & Conditions of Sale or any other conditions of sale as may be adopted and used by LeetGeek from time to time. Consent under the Privacy Act 1988 (as amended): I acknowledge and agree to LeetGeek giving credit information to and seeking credit information from any credit providers named in a credit report issued by a credit reporting agency about my/our credit arrangements. I understand that this information can include personal credit information about my/our credit worthiness, or credit capacity that credit providers are allowed to give or receive from each other under the Privacy Act and that this shall be used for any of the following purposes: to assess our application; to notify other credit providers of a default by me/us; to exchange information with other credit providers as to the status of this account where I am/we are in default with other providers; and to assess our credit worthiness.

Terms & Conditions of Sale

Price Validity

Our price remains valid for a period of 7 days after which we reserve the right to revise our proposal in the light of current labour and manufacturing costs or foreign currency fluctuations applicable at that date.

Installation

Installation work shall be carried out during normal working hours. Where the customer specifically requests installation work to be undertaken outside such hours, additional charges may be made based on overtime rate.

Commencement and Completion

Any delivery, installation or completion date or period shown, is a bona fide estimate only. Where a date or period is expressed to be fixed, such a date or period may nevertheless be extended if *LeetGeek* is prevented by any cause whatsoever beyond its control from completing the delivery of installation of the equipment by the said date within the said period.

Variation, Suspension or Cancellation

In the event that this quotation is accepted, then the agreement entered into may be varied, suspended or cancelled only by notice in writing and only if such notice is accepted by *LeetGeek*. In the event of any such variation, suspension or cancellation being so accepted, the customer shall compensate *LeetGeek* for any costs or loss incurred.

Title

The title to the equipment of any part thereof shall not pass to the customer or where applicable, to the lessor company, until payment is made in full of the purchase price and any interest accrued to the date of settlement. Should the equipment be lost or damaged after the date of commissioning and prior to payment of the whole of the purchase price, the customer shall indemnify *LeetGeek* against any loss or damage that it may suffer as a consequence.

Payment

Upon signing this agreement, a deposit of an amount authorised by *LeetGeek* will be required before work will commence. Where finance has been arranged by the customer through an approved agent, the deposit will be refunded to the customer when payment is received for the full amount of the sale. The balance of the sale is payable on completion unless a variation to payment terms is indicated on the acceptance received by *LeetGeek*. Variations to payment must be authorised by *LeetGeek*.

Tax and Duties

The purchase price has been calculated having regard to applicable commonwealth and State taxes, duties, levies and impositions in force at the date of this quotation. Any variation in those taxes, duties, levies and impositions shall be passed onto the customer.

Delay and/or Default in Payment

In the event of default in payment by the customer within the prescribed times, *LeetGeek* shall be entitled to charge interest on the overdue amount. *LeetGeek* may also defer delivery or commissioning of the equipment or any part thereof and/or cancel and outstanding balance of the order. The customer agrees that *LeetGeek* may enter upon the customer's premises at any reasonable time to take possession of and remove any item of the equipment for which payment has not been received.

Exclusions

Unless otherwise specified, we make no allowances in our pricing for:

- electrical work, cabling, flyleads or data outlets
- hubs, switches or routers
- moving or setting up of computers or furniture
- swapping of hardware between computers
- creation or restoration of backups
- installation or configuration of software not specified in this quotation
- re-configuration or transferring of settings and data, such as address books and e-mail
- testing, troubleshooting, replacement of existing faulty equipment
- courier and shipping fees

or supply and installation of any work outside the specifications within this document, or as a result of incorrect or misleading information supplied to us about the customer's existing infrastructure. Additional work will be charged at the determined rate for materials and labour.

Software Faults

Under normal circumstances, software installed or changes to a system's configuration should not interfere with the operation of other applications, device drivers or settings. Should a problem occur, one of our engineers will attempt to rectify the problem at the determined rate for materials and labour.

Telecommunications

On-going and connection fees for telecommunications lines, facilities and Internet access will be invoiced direct to the subscriber by the supplying telecommunications carrier and/or Internet Service Provider. Any fees incurred by *LeetGeek* on behalf of the customer will become the responsibility of the customer. Any fees incurred by *LeetGeek*, on the customer's behalf, will be added to our final statement of account.

Warranty

All computer systems include a 12 month onsite warranty from the date of delivery unless otherwise specified. Should any hardware in the computer system become defective during the warranty period through faulty design, workmanship or whilst operating under normal conditions it will be repaired or replaced with the equivalent or closest available part. Where possible, this warranty includes on-site labour to repair or replace the defective hardware within 25km of the Adelaide GPO during normal working hours. It does not cover computer software or operating system malfunctions, external peripherals such as monitors, printers, or keyboards, data restoration as a consequence of a defect, or any problems as a result of user error, mistreatment, viruses, etc. All external peripherals and other hardware, consumables and software are covered by their respective manufacturer's warranty policy. Non-warranty issues will be charged at the determined rate for materials and labour.

Maintenance

Unless the equipment is covered pursuant to a Service Agreement, the equipment is to be maintained by the customer solely at the customer's expense, after the warranty period has expired.

Liability

The liability of *LeetGeek* under the agreement, or pursuant to any warranties or conditions which are implied by the provisions of the Trade Practices Act shall be limited to the repair or replacement of any faulty or defective equipment as may be required and without limiting the generality of the foregoing. *LeetGeek* shall not be liable for any indirect consequential losses or damage which the customer may sustain however arising.
